

## Specification Sheet

# Securelock RT (Ridged Tail)

The Secure Lock RT is a **miniature, pull-through seal** with a 2.8mm diameter ridged tail. The seal is made from **nylon 66 material** and also features an acetal lock insert for **smooth and secure insertion**.

It is an ideal solution for applications **where space is at a premium**, but for which a strong and durable seal is required. It is also suitable for a **wide-range of operating temperatures**.

Flag size 20x15mm.

### Applications

Tote boxes / attached lid containers (ALC's), cash and mail bags, crates & boxes, airline cargo, bank applications, roll cages, and TIR cable fittings

### Size Guide

Standard length 190mm (useable 135mm)

### Material / Technical specs

Nylon (polyamide 66)  
(-40C to 140C). Tensile strength 18kgF.
