

Universéal Asset Labels

Vinyl Asset Labels

These are our most economical labels, and they're perfect for tagging equipment around the workplace. Just peel them off and stick them on – a simple, fuss-free security solution.

- Suitable for environments free from chemicals and abrasions
- Choose from four standard colours, with Pantone colours available on request
- Supplied in a handy roll format
- Two sizes to choose from: 38 x 19mm or 50 x 25mm
- Printed and dispatched to you in just 3 working days
- 4 Standard Colours
(Pantone colours available on request)

Polypropylene Asset Labels

These labels are made from a polypropylene substrate that's easy to stick to a wide range of surfaces. We can over laminate them to make them extra-durable too.

- Safe to use in temperatures of between -10°C to +80°C
- Can be used both indoors and outdoors
- Fourteen colours to choose from, with Pantone colours available on request
- Delivered in a convenient roll format
- Choose from over 30 different sizes
- Printed and dispatched to you in just 3 working days
- 14 Standard Colours
(Pantone colours available on request)

3M Polyester Asset Labels

These labels are the ultimate resistance against abrasion and chemicals. They're over laminated with polyester film for heavy-duty protection and they'll survive for up to 5 years.

- Safe to use in temperatures of between -40°C to +140°C
- Stick tight to surfaces thanks to a strong 3M acrylic adhesive
- Choose from fourteen standard colours, with Pantone colours available on request
- Delivered in a convenient roll format
- 30 different sizes to select from
- Printed and sent to you in just 3 working days
- 14 Standard Colours
(Pantone colours available on request)

Anodised Aluminium Asset Labels & Tags

These rough-and-ready metal asset tags are made from high-quality anodised aluminium, so they'll survive anything you – or Mother Nature – can throw at them. Thanks to our efficient etching process, you can still enjoy a range of printed colours, text and numbers on your metal asset tags.

- Perfect for indoor and outdoor use
- They'll endure high temperatures, sunlight, abrasion, solvents and much more
- Durable and hard-wearing
- 8 different sizes to choose from
- Fully customisable – include your logo and a barcode if you need to
- 8 Standard Colours
(Pantone colours available on request)
