

# Releasable Ties (UVZIPR)

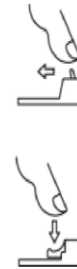

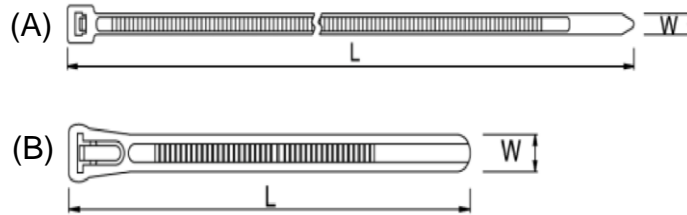

Our releasable cable ties allow for easy release and re-use many times, with an extended pawl for simple and quick release by hand.

Releasable ties are ideal for applications where frequent re-deployment is required in industry or commerce: including in product development, production or servicing in the field.

The ties are available in two different configurations depending upon tie widths – (A) and (B) below.

**Material:** Polyamide 6.6, UL94 V2

**Breaking Strength:** 18.2-22.2 KgF

Releasable Cable Ties (A)							
Item No.	Dimensions (mm)		Max. Bundle Dia. (mm)	Min. Loop Strength (kg)	Colour		
	W	L					
UVZIPR-10036	3.6	100	22	18.2	Black	Natural	
UVZIPR-20048	4.8	200	50	22.2	Black	Natural	
UVZIPR-30048	4.8	300	85	22.2	Black	Natural	
UVZIPR-38048	4.8	380	102	22.2	Black	Natural	
Releasable Cable Ties (B)							
UVZIPR-15076	7.6	150	35	22.2	Black	Natural	
UVZIPR-20076	7.6	200	50	22.2	Black	Natural	
UVZIPR-25076	7.6	250	66	22.2	Black	Natural	
UVZIPR-30076	7.6	300	80	22.2	Black	Natural
